Meeting Minutes

Subject	CSSE230 Group Meeting	Date	2/14/21
Facilitator		Time	8:00 pm
Location	MSTeams	Scribe	John Neill
Attendees	Curtiss Davis, John Neill, Andrew Walkowski		

Key Points Discussed		
No.	**Topic**	**Highlights**
1.	Text Input implementation on GUI	Implemented adding strings into our GUI
2.	Data structure: HashMap, vs each node storing a list of edges connected to that node	Decided on using HashMaps to store our cities
3.	Searching algorithm outline	Discussed how our search algorithm will work, specifically when searching routes by cost

Action Plan			
No.	**Action Item(s)**	**Owner**	**Target Date**
1.	Finish GUI	Curtiss	2/17
2.	Make search algorithm	John	2/17
3.	Work on graph implementation for maintaining a list of cities and roads	Andrew	2/17
4.			
5.
